ADDITIONAL INFORMATION

D. 1.	<u>Use-Value Assessments.</u> The use-value assessment system values agricultural land based on the income that would be generated from its rental for agricultural use rather than its fair market value. When a person converts agricultural land to a nonagricultural use, such as residential or commercial development, that person may owe a conversion charge. To obtain more information about the use-value law or conversion charge, contact the Wisconsin Department of Revenue’s (DOR’s) equalization section at (608) 266-2149 or visit: http://www.revenue.wi.gov/faqs/slf/useassmt.html .

	c. I am aware that the payment of a use-value conversion charge has been deferred under s. 74.485 (4), Wis. stats.
D. 2.	<u>Farmland Preservation.</u> Early termination of a farmland preservation agreement or removal of land from a farmland preservation agreement can trigger payment of a conversion fee equal to 3 times the class 1 “use value” of the land. For more information, call (608) 224-4500 or visit: http://workinglands.wi.gov .

SECTION 7

	YES	NO	N/A
D. 2m. <u>Managed Forest Land.</u> The managed forest land program is a landowner incentive program that encourages sustainable forestry on private woodlands by exempting the landowner from the payment of property taxes in exchange for the payment of a lower acreage share payment and compliance with certain conservation practices. Orders designating lands as managed forest lands remain in effect for 25 or 50 years. When ownership of land enrolled in the managed forest land program changes, the new owner must sign and file a report of the change of ownership on a form provided by the Wisconsin Department of Natural Resources (DNR) and pay a fee. By filing this form, the new owner agrees to comply with the management plan for the land and the managed forest land program rules. The DNR Division of Forestry monitors forest management plan compliance. Changes that a landowner makes to property that is subject to an order designating it as managed forest land, or to its use, may jeopardize benefits under the program or cause the property to be withdrawn from the program and may result in the assessment of penalties. For more information, call your local DNR forester or visit http://dnr.wi.gov/forestry .
